## Holy Spirit Study Group

Six week bible study about the Holy Spirit will begin Monday 11th at 7pm in the lounge. For more information contact Julie Pike.

## Hallam Family News

Ben and Jess will be in Tasmania from July 4th – 19th

For meetings at Worldview in Launceston.

Pray for Ben today as he preaches at his local church.

Jess gives praise for the improvement in her health although appointments for treatment take a lot of time out of her week.

Sophie, Ava, and Eloise are gaining in confidence at school, sport and in their interactions with others.

## Love of God

A documentary that addresses the worst of what Christians have done in the past, but also traces the origins of Western values like human rights, charity, humility, and non-violence back to the influence of Jesus. So it's not only an honest look at the church's chequered history, but also a look at its beating heart, namely God's grace to us in Jesus. You can watch the preview at:

<https://vimeo.com/257438531> For the love of God will be screened in Devonport if enough tickets are bought. Tickets are \$15 and need to be bought by Friday. For details see <https://www.publicchristianity.org/documentary-screenings/>
