IMPACT 1:8

The Hallams: Sydney WEC

Pray for Ben as he juggles his roles, that he can give sufficient time to media, prayer ministry and centre managing/maintenance as there is a long list of things to do in each area.

The Magupas:

Meg has undergone treatment and is suffering from its side effects. **Pray** that God will protect her from infection & give her much needed strength. **ONA Network:** Work in Tanzania has not picked up to its full capacity this year due to a few other interruptions including heavy rains and health issues for two of the key staff there. **Frank** is now expected to visit Tanzania in August. **To support ONA Network financially, please use the special envelopes on the Connect Wall.**

The Luthys:

Pray for the short-term team that are departing on the 23rd June, they will be running an English Camp and are currently preparing lessons. **Pray** that we can figure out how to organise and not over-commit ourselves as there are more and more students who are wanting mentoring —seemingly too many for the amount of time we have. **Pray** for the students of Chris's class as they seek to share with other around them as many are really scared of sharing.
