

**DREAM BIG!**

**Dear Church Family,**

What an exciting meeting we had on Sunday. If you missed it, we decided as a church that we would commit 10% of our budget to grow Gods kingdom outside our church community. This means we will be exploring how we can use the finances God provides to have an impact in the areas of Cross-cultural Mission, Social Justice, and City Love.

This means there is an exciting but challenging process before us. It will mean we need to reevaluate our existing areas of giving, it will mean we need to learn about current and future opportunities but most of all it means we need to dream.

**We need to dream about what God might want to do through Lifeway Baptist Church**

I would love you to be a part of that dreaming process. On Tuesday the 24th of July from 5-7 pm we will be holding a church forum in the Green Room to discuss our Impact 1:8 plans. We want to hear what God has placed on your heart. We want to hear the dreams and visions God is giving you. We want to as a family, begin to plot a course that will allow us to have the maximum impact throughout our city and world.

So let me invite you to join me in two things. Firstly I invite you to join us from 5:00 pm in the forum, and secondly, I invite you to read through the book of Acts in the lead up to the forum. While Acts is in no way a blueprint for modern ministry it is a remarkable record of the way God moves through a small group of committed people to change the world. I believe its the perfect launching pad for our forum.

So seek God, dream big, and lets together plan how we can have an impact for Jesus.

**Peace,**
