IMPACT 1:8

Devonport Chaplaincy:

Mentor Training is planned for 4/8/19 at C3 Auditorium.

Some prayer points include:

1. Wisdom for the team as material in the training manuals is updated; that it will be helpful and relevant to the needs of mentors; training them to work effectively with young people and pointing mentors effectively to Jesus as their guide.
2. Please pray for all mentors as they begin with their young people in schools and in our Learner Driver cars that they may be wise and effective and that they feel appreciated, valuable and supported as they build strong relationships and assist young people in building skills and self esteem.
3. Pray that 'The Lord of the Harvest' will bring people who can work as mentors to the training and that He will prepare school staff and students who need mentors so that the matching process will bring light and life to those who need it.
4. Pray for our 'non-Christian' mentors that they will know their value as supporters and champions of young people and that they will be challenged to call on the power available to them in Christ for themselves and their mentees.

Jeanette James

After 6.5 weeks and 10 different beds, it was great to unpack my suitcase, sleep in my own bed (since Sunday night) and on Monday I was able to wear all my own clothes - nothing borrowed!! Friends and family have been hugely generous over the past 4 weeks since landing back in Oz on June 22nd and I'm very grateful - thank you muchly ! New Mobile number 0499335166.
