Tendai, one of the students who has been part of the Renewed Hope Children's Home (REHOCH), educational sponsorship scheme in Kitwe, Zambia has recently graduated with a teaching degree! Moreover, She has secured a job as a teacher! Well done Tendai !Tendai was sponsored by a couple from BDC. A big thank you to all who continue to faithfully support this scheme, for without it, Tendai would never have had the opportunity to go to school. Tendai and her mother are very grateful for the support she received.

YAWANS

Jit and Jan have just held a two day camp for children with disabilities and some of their families. It was a great time together to build relationships and share about Jesus. Tomorrow they are beginning another camp, this one held for youth and adults with disabilities. Jit and Jan are looking forward to welcoming some young adults from Singapore who will be supporting them in running the camps.

NIX'S

Our team will be holding a retreat from 11-14 October in which we will be reviewing our strategic plan and praying about future directions. Please pray for that time and for David as team leader as he guides the sessions. Carole will be one of the main presenters at an international language learning advisors conference for two weeks from 23 October.
