## Mission Information Stamps

Global Interaction raised over \$70,000 last year from used stamps. We'd love to continue to help with this fundraising. Please save your used stamps, trimmed to 5mm around the edges, and bring them with you to church to place in the box in the walkway.

## Change for Change Containers

One way you can support our Cross Cultural Workers is to collect your small change to donate to the Global Missions Group. There are specially assigned containers available in the walkway, if you would like to aid in this. Simply fill and return to the Lifeway Office. **Small change will make a Big Change.**
